Golden Earring, Nighthawks

From the Album:
* Keeper of the flame

Every time when the night falls I can feel my temperature risin' Every time when the night calls And the moon seems to be smilin' Yeah! Don't talk about it Just take your wings & take; fly Yeah! Don't worry 'bout it We're all goin' flyin' tonight We can wing it on the wildest storm Baby we're gonna dive in - dive in Wow, baby like the night before C'mon & amp; watch the nighthawks flyin' C'mon & amp; watch the nighthawks flyin' Low down city in the rain in the summertime Don't it wanna make you cry & Don't it wanna wa Nighthawks, nighthawks Everytime when the night falls My baby gest sentimental Everytime when the night calls And the mood gets temperamental Yeah! Don't think about it Just shake your wings & Dy; fly Yeah! Don't worry 'bout No sign in your eyes of fatigue You've been jailed before Ride on the wind You need more, more, more, more, more Let me tell you that a nighthawk is cryin' Don't cry like you know cryin' Let me tell you that a nighthawk is dyin' Don't die like you know dyin'
