

Golden Earring, One Night Without You

From the Albums:

* Paradise in distress

* Last blast of the century

I don't care where you've been
(last night, last night)
I don't care, but I hate to lose control
(uptight uptight)
I get emotional, bein' here
Just on my own
They say alcohol and cigarettes
Are worth dyin' for
Your gamble is a bet
I just can't afford
One night one night without you
I'm dyin', but I'm wide awake
(getting angry)
You're a sinner
And you ain't no saint for sure
(sounds like she's hardcore)
Can't live without your live
(he's innocent she's a whore)
Bein' just on my own
Waitin' for someone like you
