

Golden Earring, Stand By Me

I don't care if you need more lovin'
More than I can give you everyday
I don't mind if you sleep all over town
If you only care for me, than I don't have to say
Stand by me (4x)
I don't mind if you need more money
Go out with friends and dance all night
And give your body when you're stoned and waisted
When you're with me, I want you on my side
Stand by me (4x)
I don't care if you drive my car
and go ridin' with some rock n roll star
You wanna make love and you tell him you're free
But when we're together, please stand by me
Stand by me, stand by me,.....
