

Golden Smog, Making Waves

Verse 1

[D]saw your eyes light up the [G or G6add5]horizon
just like the [D]sun, still it's [E]new
[D]bodies being hung for [G or G6add5]drying
now there's [D]one, guess they're [E]through

Chorus

[D]making [A]waves in the [G]bathroom
[D]the time it [A]saves, it's the last [G]room

Verse 2

hearing sirens on the street
getting closer, please don't stop
race won't be with these feet
even closer comes the drop

Chorus

making waves in the bathroom
the time it saves, it's the last room

[D]ooh don't leave me [G]now

[D]ooh don't leave me [E]now

[D]ooh don't leave me [G]now

[D]ooh don't leave me [G]now

Verse 3

in the chair I thought you were sleeping
your eyes rolled back, your lips blue
it was a drag to be dragging
you down the hall 'til you came to

Chorus

making waves in the bathroom
the time it saves, it's the last room

Bridge

[Bm]are you [A]in there

[G]hello, hello, hello

I'll be out it a [Bm]while (repeated x3)

[A]are you dying, [G]hello

[D]ooh don't leave me [G]now

[D]ooh don't leave me [E]now

[D]ooh don't leave me [G]now

[D]ooh don't leave me [G]now
