

# Goldfinger, Authority

So you're just barely getting by  
not hurting no one  
Sometimes you think that you're alright  
sometimes you have fun  
But on the way someone confronts you  
and tries to shut you up  
You're having trouble at your home  
you want to get out  
But you've got nowhere else to go  
You gotta get out

But on the way someone confronts you and  
tries to tell you that

You're going nowhere with your life!  
whoa  
You better listen to what's right!  
whoa  
But don't you see  
that I can't hear you!  
HEY! HEY! HEY!
