

# Goldfinger, Forgiveness

So you've decided to blame him again for all your choices.  
Seem like the softer way out.  
You think you just might make life easier to swallow will it.  
You made a fine career out of guilt.  
Maybe he just did the best he could with what he had  
Maybe he just did the best he could

Forgiveness, Forgiveness, Try and let it go why don't you  
Forgiveness, Just might save yourself  
Forgiveness, Forgiveness, Try and let it go why don't you  
Forgiveness, Just might save yourself

So you've decided to blame him again for all your choices.  
Seem like the softer way out.  
You think you just might make life easier to swallow will it.  
You made a fine career out of guilt.  
Maybe he just did the best he could with what he had  
Maybe he just did the best he could

Forgiveness, Forgiveness, Try and let it go why don't you  
Forgiveness, Just might save yourself  
Forgiveness, Forgiveness, Try and let it go why don't you  
Forgiveness, Just might save yourself

Don't you know what comes around goes around  
Don't you know what comes around goes around  
Don't you know what comes around goes around  
Don't you know what comes around goes around  
Don't you know what comes around goes around  
Don't you know what comes around goes around  
Don't you know what comes around goes around  
Don't you know what comes around goes around  
Round and Round and Round and Round and Round

Forgiveness, Forgiveness, Try and let it go why don't you  
Forgiveness, Just might save yourself  
Forgiveness, Forgiveness, Try and let it go why don't you  
Forgiveness, Just might save yourself

So you've decided to blame him again for all your choices.  
Seem like the softer way out.

Forgiveness, Forgiveness, Let it fucking go why don't you  
Forgiveness, Starts with yourself.
