

# Goldfinger, How Do You Do It

It's been a while since I made you smile  
Since I had some clarity  
It's been a while since I took you out  
'Cause I breathe catastrophe  
How do I make it up to you?  
How do I say I'm wrong?

How do you do it?  
How do you put up with me?  
How do you do it?  
How do you put up with me?

It's been a while since we worked it out  
Since you talked it through with me  
It's been a while since we rock in style  
So please hear my guilty plea  
How do I make it up to you?  
How do I say I'm wrong?

How do you do it?  
How do you put up with me?  
How do you do it?  
How do you put up?  
How do you put up with me?

I just want to say I love you  
More than I ever have, you know I do  
I just want to say I need you  
More than I ever have, you know I do  
Yeah you know I do

How do you do it?  
How do you put up with me?  
How do you do it?  
How do you put up with me?  
How do you do it?  
How do you put up with me?  
How do you do it?  
How do you put up?  
How do you put up?  
How do you put up with me?
