

# Goldfinger, Minds Eye

And if you could see me  
The way that I am  
Every time that I see you  
I act like a different man

(Chorus)

I can see from my mind's eye  
I make up senarios in my head  
I remember the things I did  
I know I fucked up and I wish I was dead

What is it that scares me  
What do I care what you think  
Cause you only hurt me  
And with your words I shrink

Chorus

If I could own you  
You'd do what I'd say  
You'd listen to me  
You would  
You'd do what I'd say  
You'd fuckin' listen

And then when you call me  
You act like nothing's wrong  
Like I'm in a desert  
What makes you so strong
