

Goldfinger, One More Time

Every day is just the same
There's nothing inside
I've been watching as the people
Run and they hide
I don't want to be
Right on time
Can't act like
I'm doing fine
I'm out of line

Step to the left
Step to the right
Step to the left
Step to the right
I'm out of my mind

I can feel it coming
One more time
Like the air I'm breathing
All my life
I want to give you
Just a piece of my mind
It's rising to the front
Of the line

Every day is on the start
Of the rat race
Treading water just-
Just to save face
But I don't want to be a waste of time
A faceless concubine
An open valentine

Step to the left
Step to the right
Step to the left
Step to the right
I'm out of my mind

I can feel it coming one more time
Like the air I'm breathing
All my life
I want to give you
Just a piece of my mind
It's rising to the front
Of the line
The front of the line

It's time to get up
It's time to get out
I need a change
To feel strange
To feel alive

Now it's time to stand up
It's time to stand out
I need a change
To feel strange
To feel alive

And every day is the same
There's nothing inside
I've been watching as the people
Run and they hide

But I don't want to be
Right on time
Can't act like
I'm doing fine
'Cause I'm out of line

Step to the left
Step to the right
I'm out of my mind

I can feel it coming one more time
Like the air I'm breathing
All my life
I want to give you
Just a piece
A piece of my mind
It rises to the front
Of the line

I can feel it coming one more time
I can feel it coming one more time
I can feel it coming one more time
I can feel it coming one more time
One more time

Now it's time to stand up
