

# Goldfinger, Someone Else

Sitting here alone, I wonder what's the use  
I'm so bored I'm just killing time  
Can you explain to me I just don't understand  
Why my skin has worn so damn thin.

I realise, that it's been worse before  
I realise...

Don't wanna, not gonna,  
don't have to be myself today  
I wanna wake up as someone else.

Don't wanna, not gonna,  
don't have to be myself today  
I wanna wake up as someone else yeah.

I'm so tired today, I think I'll just lay down  
And hibernate for a year or so.  
No matter what I do, the day just slips away,  
I need to take some time and start it all again.

I realise that it's been said before  
Although I try I don't know what's in store  
I realise...

Don't wanna, not gonna,  
don't have to be myself today  
I wanna wake up as someone else.

Don't wanna, not gonna,  
don't have to be myself today  
I wanna wake up as someone else yeah.

I realise that it's been worse before,  
I realise

Don't wanna, not gonna,  
don't have to be myself today  
I wanna wake up as someone else.

Don't wanna, not gonna,  
don't have to be myself today  
I wanna wake up as someone else.

Don't wanna, not gonna,  
don't have to be myself today  
I wanna wake up as someone else.

But I have to, accept that, I guess it's stuck with me today,  
I have to wake up and be myself again.
