

# Goldfrapp, Cologne Cerrone Houdini

Moments of perfection  
Idle in the sunshine  
Over there in yonder  
In another world

I'm not your kind  
I'm not your girl  
Dreams we had seemed bright  
And passed the time

Cologne cerrone, cerrone Houdini  
Cerrone Houdini  
Cologne cerrone, cerrone Houdini  
Cerrone Houdini

Sunlight in your eyes  
Driving over stateside  
Left the smoke behind us  
Could we be together in another world?

I'm not your kind  
I'm not your girl  
See I'm in your car  
But not your life

Cologne cerrone, cerrone Houdini  
Cerrone Houdini  
Cologne cerrone, cerrone Houdini  
Cerrone Houdini

Sunlight in your eyes  
Sunlight in our eyes  
Like diamonds in your hair
