

Goldfrapp, Happiness

Join our group and you will find
Harmony and peace of mind
Make it better
We're here to welcome you

We're all on a journey to
finding the real inner you
Make it better
We're here to welcome you

Time
Stops too when
You've lost love
Happiness
How do you get to be
Happiness
How you get to find love
Real love

Floating in the magic world
Donate all your money
We'll make it better (make it better)
We're here to welcome you

We can see your troubled soul
Give us all your money
We'll make it better (make it better)
We're here to welcome you

Time
Stops still when
You've lost love
How
Happiness
How'd you get to be
Happiness
How'd you get to find love
Real love
Love love love

We'll be swimming in the sea
Of wisdom and serenity
Make it better

Happiness
How'd you get to be
Happiness
How'd you get to find love
Real love
Love love love

(repeat chorus until fade out)
