

# Goldie Hill, He Thinks I Still Care

Just because I asked a friend about him  
Just because I spoke his name somewhere  
Just because I rang her number by mistake today  
He thinks I still care

Just because I haunt the same old places  
Where the mem'ries of him linger everywhere  
Just because I'm not the happy girl I used to be  
He thinks I still care

If he's happy thinking I still need him then let that silly notion bring him cheer  
Oh how could he ever be so foolish oh where would he get such idea

Just because I asked a friend about him  
Just because I spoke his name somewhere  
Just because I saw him then went all to pieces  
He thinks I still care he thinks I still care
