Honky tonk music a table for two one chair is empty just waiting for you  
Honky tonk music with your luring melody oh can't you bring my baby back me

I'm at the table where we used to sit  
And though what a mem'ry that I can't forget  
Honky tonk music with your luring melody oh can't you bring my baby back me  
( steel - fiddle )  
I'm at the table...
