

Goldie Hill, Making Believe

(Loving you and making believe)

Making believe that you still love me it's leaving me alone and so blue

But I'll always dream still I'll never own you making believe is all I can do

Can't hold you close when you're not with me

You're somebody's love you'll never be mine

Making believe I'll spend my lifetime loving you and making believe

[piano]

Making believe that I never lost you but my happy hours I'll find are so few

My plans for the future will never come true making believe what else can I do

Can't hold you close...
