

Goldie Hill, Still Wanting You

(Still wanting you)

I don't know when I've ever been so crazy mixed-up and blue

Wanting you wanting you

You've gone your way and I've gone mine why I must go on

Wanting you wanting you

My friends all think I'm feelin' fine they don't know this heart of mine

Keeps on crying all the time for you

I'll try to find somebody new I guess I'll try too soon

Cause I'm still blue and still wanting you

(piano)

My friends all think...
