

Goldie Hill, World I Can't Live In

Once more I've said that I'd leave you but once more I'm changing my mind
Yours is a world I can't live in but without you I can't live in mine

You'd rather go places without me I don't understand you at times
Yours is a world I can't live in but without you I can't live in mine

[ac.guitar]

Could be that's your way of loving and you don't mean to treat me unkind
Yours is a world I can't live in but without you I can't live in mine
