

Gomez, Black Eyed Dog/Free To Run

Black eyed dog calling at my door
Black eyed dog calling out for more
Black eyed dog he knows my name
Black eyed dog he knows my name
Black eyed dog...
Black eyed dog...
Grown old and I want to go home
Grown old I don't wanna know
Grown old and I want to go home...

segue into 'Free To Run'

I'm free to run, I walk slowly along
And everyone, walking slowly along
I walk slowly along

'Cause I've been walking far too long
Dragged my feet like everyone
Always wanted to run away
But walked slowly along

I feel so tired
Come sit here for a while
I can see it in your smile
Come sit here, let's hold for a while

'Cause I've been walking far too long
Dragged my feet like everyone
Always wanted to run away
But walked slowly along
I walked slowly along
I walked slowly...

I'm free to run
I'm free to run
I'm free to run
I'm free to run
I'm free.....I am
