

# Gomez, Drench

Come and fight back  
Need some help here  
Bail us out  
In up to our necks  
Drenching never stops  
Fish us out

There's a light there to steer it  
A fear that is peeling  
And soaking us up  
Into a slow-motion freezer  
Division is leaving  
Everything stops

It's overexposure  
Stop running off on me  
It's overexposure  
Stop running off

Come and fight back  
Need some help here  
Bail us out  
In up to our necks  
Drenching never stops  
Fish us out

Did you forget what you came in for?  
Still shaking the rain off  
Fresh from the storm

So we saved up the good stuff  
And scrapped for the liferaft  
Pistols at dawn

It's overexposed  
And only tits and teeth remain  
It's overexposed  
Keep your filthy hands off

Come and fight back  
Need some help here  
Bail us out  
Had it up to here  
Drenching never stops  
Fish us out

Come and fight back  
Need some help here  
Bail us out  
Had it up to here  
Drenching never stops  
Fish us out

Come and fight back  
Need some help here  
Bail us out  
In up to our necks  
Drenching never stops  
Fish us out

Come and fight back  
Need some help here  
Bail us out  
Had it up to here

Drenching never stops  
Fish us out

Fish us out  
Fish us out  
Fish us out  
Fish us out

And it looks enough for all of us to get soaked...
