

Gomez, Pussyfootin'

(Gonna let it down, gonna let it down,
I'm gonna let it down [Repeats through song])

Pussyfootin'
Pussyfootin' around
Just got me down, yeah

Pussyfootin'
Pussyfootin' around
Has just got me down
Because I don't care what's made you frown
I'm just tired of my pussyfootin' around

Pussyfootin'
Pussyfootin' around
Has just got me down, yeah

Pussyfootin'
Pussyfootin' around
Just got me down
Because I don't care what's made you frown
I'm just tired of my pussyfootin' around

She has gone, gone to the stratosphere
She has gone, gone far away from here
She has gone, but it ain't right
Yeah, it's coming alive

Pussyfootin'
Pussyfootin' around
Just got me down
'Cause I don't care what's made you frown
I'm just tired of my pussyfootin' around
