

Gomez, Touchin' Up

I've been touched now
I don't believe it
Movin' much closer now
Here's my touch
Now please receive it
Let's do some more touchin' up
Let's do some more touchin' up

Well, he got songs to sing you
Made me feel good when the others didn't
And he got everything now
Made me come back when the others didn't

Uh-huh, ooh-ooh

Know your mind
There's something quite familiar in your eyes
Know your mind
There's something quite familiar
Something quite familiar
Coming around the bend
Coming around the bend

Stay out on your own
Made me feel good when the others didn't
Stay out on your own
Made me come back when the others didn't
Stay out on your own
Made me feel good when the others didn't
Stay out on your own
Made me come back when the others didn't

Uh-huh, uh-huh, uh-huh, ooh-ooh

Comin' around again
All I wanna do's some touchin' up
Please let me do some touchin' up
(repeated to end)
