

Goo Goo Dolls, Going Crazy

Television burning my eyes
Nobody here to tell me I'm alright
I'm alright
Every second is a lifetime
Ticking away inside my mind
In my mind

I'm just waiting for the ending
It's all hopeless pretending now
Let me out

Yeah, I'm going crazy, I've been running the streets
Yeah, I'm going crazy, I'm a pounding beat
Sick inside but you still see the best in me
(Oh)

Oh, I'm going crazy, I'm a sign of the times
Yeah, my mind is breaking while the city ignites
Kiss me on the street so I can find the best in me
The best in me, yeah

I keep staring at the ceiling
Sick and tired of feeling out of control
Control
Wake me up when it's over
Trying to forget everything I know
It's all I know

I'm just waiting for the ending
Is it hopeless pretending now?
Let me out

Yeah, I'm going crazy, I've been running the streets
Yeah, I'm going crazy, I'm a pounding beat
Sick inside but you still see the best in me
(Oh)

Oh, I'm going crazy, I'm a sign of the times
Yeah, my mind is breaking while the city ignites
Kiss me on the street 'cause I can't find the best in me
The best in me, yeah

Can't see the daylight
Trapped in a cage of doubt
I'm on the inside
Can you pull me out?
(Can you pull me out?)
Get me out)

I'm going crazy, yeah, I'm stuck in a blur
Yeah, I'm going crazy, it's a fucked up world
Help me now 'cause I can't see what's left of me
(Oh)

Yeah, I'm going crazy, oh, at least I'm alive
Yeah, I better laugh if I ain't gonna cry
Don't know why, but you still the best in me
The best in me (Yeah)
(Oh)
Don't know why, but you still the best in me
The best in me, yeah
