

# Good Charlotte, Always And Forever (Thank You)

Always, Always and forever,  
Always, Always and forever,

Im sitting here, im thinking back  
to a time when i was young  
my memory is clear as day

im listening to the dishes clink  
you were downstairs you would sing  
songs of praise

and all the times we laughed with you  
and all the times that you stayed true to us  
and now we'll say

i said i thank you i'll always thank you,  
more than you would know than i could ever show  
and i love you i'll always love you theres nothing i wont do to say these words  
to you that your beautiful foever

Always, Always and Forever

You were my mom you were my dad  
the only thing i ever had was you its true  
even when the times got hard  
you were there to let us know

that we'd get through

You showed my how to be a man  
you taught me how to understand  
the things people do  
You showed me how to love my God  
you taught me that not everyone  
knows the truth

and i thank you i'll always thank you,  
more than you would know and than i could ever show,  
and i love you i'll always love you, theres nothing i wont do to say these words  
to you, that you will live forever

forever and ever,  
forever and ever,

i said i thank you i'll always thank you,  
more than you would know than i could ever show,  
and i love you i'll always love you theres nothing i wont do to say these words  
to you, that i thank you i'll always thank you,  
more than you would know than i could ever show,and i love you i'll always love you, theres nothing  
to you that you will live forever...

...Always...
