

Good Charlotte, Can't Go On

How can it be easy to forget you
When I think about you all the time
I never know how I miss you when I never had you
You were never mine

CHORUS

I move on,
But I can't go on without you
Said I try,
Don't know why,
What to do about you
Can't move on (x2)

It'd be cool if we never met,
If we never locked eyes
Then I'd feel so happy,
Not knowing you're so fine

CHORUS

I get so nervous when I'm around you
There's nothing I can say
I wish you'd get outta my head
I think about you every day

I move on,
But I can't go on without you
Said I try,
Don't know why,
What to do about you
Can't move on (x2) without

rock

CHORUS
