

Good Charlotte, Change (Acoustic Version)

I am lost in the see through
I think you lost yourself too.
Throughout all of this confusion
I think we'll somehow make it through.
Each day just drags on by
Bringin with you a new life.
Just when I think I could die
You come and bring me back to life
And you said

-CHORUS-

You can't change the way you feel
But you cant tell me this ain't real 'cause this is real.
'cause in the end its all ive got
So i'm gonna hold
On and on and on and on and on and on and on and on
And on and on and on and on and on and on and on
(on and on and on and on and on)

And now you've got me watchin your eyes.
Got me waitin just to see
If it goes away it never will
Your eyes are watchin me.

OH and I practiced all the things I'd say
To tell ya how I feel
But when I finally get my chance
It all seems so surreal.
And now you've got me thinkin bout the first time that I met you
And now I can't forget you
Now I won't forget you.
You said...

-CHORUS-
