

# Good Charlotte, Complicated (Acoustic Version)

One Time  
One time  
Alright here we go  
Two times  
Alright  
Here we go  
Here we go  
And we've been here for so many years  
But still it seems as if you're not there  
Are you there?  
Well everytime I talk  
You turn away  
Do you care?  
Isn't Dad an obligation to care  
And we've been here for so many years  
So many years still it seems  
So complicated  
Overrated  
You're complicated  
Well this feeling is love  
Well I came through the door  
yeah I said it before  
I never let the stress get me down no more  
Giving thanks to the Lord  
You know I pray everyday  
Giving shots to my peeps  
And this is what we said

And we've been here for so many years  
So many years still it seems  
So complicated  
Overrated  
You're complicated  
Well this feeling is love  
You got your one little room with a black and white TV  
We got your one single bed, and you don't wanna see  
You're living all alone  
You're like a dog without a bone  
You're living all alone cause you left us all at home  
Well you had a second chance but you threw it all away  
A fourth a fifth a sixth  
But that was yesterday  
Now you're sitting at a bar just drowning in your tears  
All lonely in the corner  
While everybody cheers  
And we said  
And we've been here for so many years  
So many years still it seems  
So complicated  
You're overrated  
you're complicated  
Well this feeling is love  
The six dollars in your pocket  
And ones a secret stash  
Twos for alcohol and threes for cigarettes
