

# Good Charlotte, Fight Song

<You mother fuckers should of never turned my mic off

OHH

say whoaaa this is a fight

say here we are this is a fight

you motherfuckers should of never turned my mic off

out with the bulshit its time for the fight song

black hoodie black airforce one niger with a aditude got a airforce gun

ready to get blood on my white tee a million civilian fuckers think just like me

like me and i got shots to give ill never be a nother tupac and big

aint nothing you can do to stp this shit face it alive

Punk rockers live

in the dark with no sunshine when its time for war we on the front line

Goodcharlotte take the base line

whoaaaaa this is a fight

deear mr persinat

here we are this is a fight

a leter to the motherfucking government

Say no we dont want this shit say

No we cant take this shit

say whoa this is a fight this is a fight

Second verse will be up when i get home>
