

# Good Charlotte, Friday Night

Just because I walk like Obie Won Kenobie  
You people talk but you don't even know me  
And all these guys they think they wanna fight me  
And all these girls I know that they don't like me  
I made them laugh-they do it just to spite me  
And in a crowd none of them are like me  
But I don't care what you say  
I don't need you anyway  
I'll just go about my day

But anyway  
You go out on Friday night  
I'll stay in but that's all right  
'Cause I have found a clique to call my own  
In crowd, out crowd  
I don't care  
Your crowd, my crowd  
We can share  
'Cause I have found a clique to call my own

Lets go!

So come and talk to me on my computer screen  
The best years of our lives aren't as easy as they seem  
And one day we'll look back, and then we'll have to laugh  
They used to call us names, now they want our autograph

So I don't care what you say  
I don't need you anyway  
I'll just go about my day  
But anyway  
I don't care what you say  
I don't need you anyway  
I'll just go about my day

But anyway  
You go out on Friday night  
I'll stay in but that's all right  
'Cause I have found a clique to call my own  
In crowd, out crowd  
I don't care  
Your crowd, my crowd  
We can share  
'Cause I have found a clique to call my own

She said she'd call  
But I know she won't  
She won't  
She won't

But anyway  
You go out on Friday night  
I'll stay in but that's all right  
'Cause I have found a clique to call my own  
In crowd, out crowd  
I don't care  
Your crowd, my crowd  
We can share  
'Cause I have found a clique to call my own

Lets go!

But anyway  
I don't need you anyway

I don't need you anyway  
I don't need you anyway
