

Good Charlotte, Waldorf Worldwide

Worldwide what?
You heard me
Waldorf, Naptown, worldwide. What?

Come on, get up, get up, get up, come on
Yeah, break it break it break it down.
Tikki, tikki

Everything's gonna be alright now
Everything's gonna be alright
Get down stay up all night now
Let's do this one more time
Everything will be alright alright
Bring it in bring it in what? bring in..the verse..

Listen up 'cause there ain't nothin' funny,
I wanna hot girl and a little bit of money,
I wanna little house where my band can live,
'Cause we're tired of movin' every other weekend
I wanna go to parties where they got no guns,
I wanna rock with my band, I wanna have a little fun
Where thugs and punks and any other type,
Can sing this song and we'll sing it all night (sing it!)

Everything's gonna be alright now
Everything's gonna be alright
Get down stay up all night now
Let's do this one more time
Everything will be alright
Everything will be alright alright

All I wanna do is kick the welfare, all I wanna do is get my share
All I wanna do is kick the welfare, all I wanna do is get my share
And I don't wanna run for the president,
I just want an honest way to pay my rent
And I'm tired of the man always shuttin' us down,
Tired of my old man 'cause he's never around
And I'm tired of eating off of other people's plates,
And I don't look important, so they're tellin' me to wait
Police records said they wouldn't exist,
I wanna know the meaning of a Christmas list
Said all I wanna do is kick the welfare,
All I wanna do is get my share, (tikki tikki tikki tikki)
All I wanna do is make somethin' from nothin',
It's GC baby and we're workin' with somethin',

Everything's gonna be alright now
Everything's gonna be alright
Get down stay up all night now
Let's do this one more time
Everything will be alright
Everything will be alright alright

We'll be self-made millionaires,
These lives we'll lead without a care, oh yeah,
And we'll see what we'll be

Everything's gonna be alright now,
Everybody say oh yeah that's right,
Everything's gonna be alright now,
Everybody say it one more time,
Everything will be alright, alright... alright...
Alright... (We'll see you when we get there),
Alright... (We'll see you when we get there)

Or the radio,
In the magazines,
On the movie screens
