Come on, get up, get up, get up, come on Yeah, break it break it break it down. Tikki, tikki

Everything's gonna be alright now Everything's gonna be alright Get down stay up all night now Let's do this one more time Everything will be alright alright Bring it in bring it in what? bring in..the verse..

Listen up 'cause there ain't nothin' funny, I wanna hot girl and a little bit of money, I wanna little house where my band can live, 'Cause we're tired of movin' every other weekend I wanna go to parties where they got no guns, I wanna rock with my band, I wanna have a little fun Where thugs and punks and any other type, Can sing this song and we'll sing it all night (sing it!)

Everything's gonna be alright now Everything's gonna be alright Get down stay up all night now Let's do this one more time Everything will be alright Everything will be alright alright

All I wanna do is kick the welfare, all I wanna do is get my share All I wanna do is kick the welfare, all I wanna do is get my share And I don't wanna run for the president, I just want an honest way to pay my rent And I'm tired of the man always shuttin' us down, Tired of my old man 'cause he's never around And I'm tired of eating off of other people's plates, And I don't look important, so they're tellin' me to wait Police records said they wouldn't exist, I wanna know the meaning of a Christmas list Said all I wanna do is kick the welfare, All I wanna do is get my share, (tikki tikki tikki tikki) All I wanna do is make somethin' from nothin', It's GC baby and we're workin' with somethin',

Everything's gonna be alright now Everything's gonna be alright Get down stay up all night now Let's do this one more time Everything will be alright Everything will be alright

We'll be self-made millionaires, These lives we'll lead without a care, oh yeah, And we'll see what we'll be

Everything's gonna be alright now, Everybody say oh yeah that's right, Everything's gonna be alright now, Everybody say it one more time, Everything will be alright, alright... alright... Alright... (We'll see you when we get there), Alright... (We'll see you when we get there) On the video, Or the radio, In the magazines, On the movie screens
