

Good Rats, Does It Make You Feel Good

Verse 1: Blow me around like a cigarette wrapper
Smack in the middle of a hurricane
Sucker me in like a Venus Flytrapper
Baby I'm startin' to think you don't like me!

Hook: Does it make you happy, makin' me sad?
Does it really, really get you off?
Does it make you feel good makin' me hurt?
Does it really really get you off?

Verse 2: Treat me like dirt, baby say I ain't worth
The sweat off the back of a midget ant
Leave me alone on the coldest of nights
Baby I'm startin' to think you don't like it!

Repeat Hook

Repeat Verse 1

Does it make you feel good makin' me hurt?
Does it really, really get you off?
