

# Good Rats, Injun Joe

I wanna see this house burn  
I wanna see it tumblin' down  
I'm gonna watch the white burn from her eyes

Well, I'm gonna light the fuse (Whoa, Yeah!)  
I'm through payin' my dues  
I refuse, to kick off my shoes

[CHORUS]

Hey Injun Joe - what you know?  
Went to the city - to organize  
Hey Injun Joe - what you know?  
Went to the city - to organize

I'm gonna take their black robes  
I'm gonna wipe my waste on them  
Your honor, my ass is my honor  
That's all the lie

Well, this time I'll stand and fight (Whoa, Yeah!)  
Like the suckers they are  
I'll run them into the sea

[CHORUS]

(Instrumental bridge)

[CHORUS]

Yeah! (to fade out)
