

# Goodshirt, Mousey

in this scenario, I can pretend  
in this scenario, I'll buy lots of friends  
in this scenario, you'll let me inside  
in on your radio, where I can hide

where I can hide,  
where I can hide,  
where I can hide,  
I sing baby baby baby baby yeah

travel through circuitry, through space and time  
in millions of pixel dots, I'll be brought to you live  
in this scenario, I can pretend  
in this scenario, I'll buy lots of friends

where I can hide,  
where I can hide,  
where I can hide,  
I sing baby baby baby baby yeah
