This is Radio Pacific calling M.S. San Doria -Radio Pacific calling M.S. San Doria -Are you receiving

Christmas at sea - far away from home.
No families and no heavenly snow.
Christmas at sea - visions of home
Sailing tonight all alone.

Black is the night on the ocean

Candlelight shines on the sea

Everyone's full with emotion -
At home
that's where they long to be.

Mama is reading your letter

Jingle-bells ring all night long.
White are the trees and the meadows -
Children are singing a song.

Christmas at sea - far away from home
. . .

Midnight is near and we're praying

Everyone fights back his tears.
Lord, bring them home
someone's saying

And keep them safe while they are here
.
