

# Gorchitza Live Project, Time is right

In the middle of the night  
I can feel you by my side  
Is it wrong or is it right  
Who is ready to decide?  
And if you hear my sad song  
Well it doesn't stop  
So share my tears to the last drop  
And if you hear my love song  
Open your heart,  
Just open your heart  
The time is right  
I'll be waitin' my whole life  
The time is right  
Come closer to me  
The time is right  
But if it's our last night  
The is right, the time is right  
Babe, I'm feelin' deja vu  
It seems you're the love that I once know  
But I can't see you in the future  
Can't se you in my past  
Although I'm a fool and I'm drivin' too fast  
Get ready for the good times  
Cause I'll show you how  
You can get to the clouds above  
And when you look in my eyes  
What do you feel?  
Tell me, what do you feel?
