

# Gordon Downie, Elaborate

I was talking to Tim.  
He said you had a problem  
But didn't elaborate.  
He was on a streetcar home  
Talking on his cell phone  
He couldn't elaborate  
He said, "The bad news come down."  
Triple-screening or the ultra-sound  
Didn't look so great  
He said he saw you with your guitar  
And you were low  
He didn't elaborate.  
He said, "Just call him, ya know,  
Because I can't really, ya know, elaborate."
