

# Gordon Downie, More Me Less You

Is he good looking?  
What am I saying?  
We're all good looking.  
Can I stay til I make some arrangements?  
Then we can begin our estrangement?

your personal conviction's fierce  
it's been in your family for years  
but in your ponytail blown loose  
I can see what this is doing to you

Listen don't guess please listen,  
Don't just guess there's words I wanna say like,  
"follow me, I know the way"

We're close to the rail  
Never more like a candle  
In breezes full and fragrant  
We begin our estrangement
