

Gordon Lightfoot, Beautiful

At times I just don't know
How you could be anything but beautiful
I think that I was made for you
And you were made for me
And I know that I will never change
Cause we've been friends through rain or shine
For such a long, long time

Laughing eyes and smiling face
It's seems so lucky just to have the right
Of telling you with all my might
You're beautiful tonight

And I know that you will never stray
Cause ya been that way from day to day
For such a long, long time

And when ya hold me tight
How could life be anything but beautiful
I think that I was made for you
And you were made for me

And I know that I will never change
Cause we've been friends through rain or shine
For such a long, long time

And I must say that it means so much to me
Just to be the one who's telling you
I'm telling you
That you're beautiful
