

Gordon Lightfoot, If You Could Read My Mind (Studio 54)

If you could read my mind love
What a tale my thoughts would tell
Just like an old time movie
Bout a ghost from a wishin well
In a castle dark or a fortress strong
With chains upon my feet
You know that ghost is me
I dont know where we went wrong
But the feelings gone
And I just cant get it back
If you could read my mind, yeah
If you could read my mind love
What a tale my thoughts would tell
Just like a paperback novel
The kind that drugstores sell
When you reached the part
Where the heartaches come
The hero would be you
But heroes often fail
Never thought I feel this way
And Ive got to say
That I just dont get it
I dont know where we went wrong
But the feelings gone
And I just cant get it back
If you could read my mind
If you could
If you could
If you could read my mind
If you could
If you could read my mind
If you could read my mind love
What a tale my thoughts would tell
Just like an old time movie
Bout a ghost from a wishin well
If you could read my mind love
What a tale my thoughts would tell
Just like a paperback novel
The kind that drugstores sell
When you reach the part
Where the heartaches come
The hero would be you
But heroes often fail
Never thought I feel this way
And Ive got to say
That I just dont get it
I dont know where we went wrong
But the feelings gone
And I just cant get it back
If you could
If you could
If you could read my mind
If you could
If you could
If you could read my mind
If you could
If you could
If you could read my mind
