

Gorerotted, Corpse Fucking Art

Emaciated stiff
Nauseating tepid whiff
Putrefaction dank in smells
Intoxicating infestation
But most of all, Putrefaction
Aroma of rot, house of necropsy
Tortured, tormented, wriggling corpse
Emaciated stiff,
Rotting to, rotting to,
the gore

You rape 'em
we scrape 'em
No foetus, has ever
beaten us

Exhumed, raped
