

# Gorerotted, Gagged, Shagged, Bodybagged

A helpless bastard beginning to choke  
Gag him with muslin whilst holding her throat  
Hodling them tightly, whist they get tied with rope  
Producing a knife and then slitting their throats

I gagged her with muslin  
I slit his throat  
I pulled down my trousers

Whilst wiping the blood from my coat...

Gagged, shagged, Bodybagged  
Gag him, Shag her  
Body bag them

A helpless bastard beginning to choke  
Gagged with muslin whilst  
holding her throat  
These sick fantasies  
inside my head  
Not sleeping with the living  
but raping the dead

Gagged, shagged, Bodybagged  
Gag him, Shag her  
Body bag them
