

# Gorerotted, Hacksore

Hacksore cutting through my veins  
Drill bits drilling in my brain  
Buckled down with tightening chain  
The slow excruciating pain  
Hooked chains cutting human flesh  
Where's my Hacksaw?  
Face Covered up with mess  
Where's my Hacksaw?  
Hunting 'round for tools of prey  
Where's my Hacksaw?  
Slow autopsy of my prey  
Where's my Hacksaw?

Blades, Pliers  
Industrial snips  
Using knives to cut  
Out bits  
Have you seen my knife  
Or hacksaw?
