

Gorerotted, Severed, Sawn and Sold as Porn

Trading pieces from a suitcase on a bench
Customers turned on by the horrific stench
Packages, boxes, filled with bits
Tightly packed jars with lids
A torso a fiver, heads are ten
Severed, sawn bodies which once were men
The smell of rot, a potent stench
As I lay them on the bench

Limb by limb by
limb by limb
As I lay on the bench
Bits and pieces all
different races
Customers turned on by
the horrific stench
I like what Jeffrey Dahmer did
I like what Jeffrey Dahmer did
Limb by limb by

Bits and pieces,
stewed in faeces
As I lay them on the bench

I like what Jeffrey Dahmer did

Limb by limb by

Bits and pieces,
covered in faeces
As I lay them on the bench
