

# Gorgoroth, Incipit Satan

ridin' blind from heaven high  
from volvy the chain  
if hate sudden children  
why repare the choke of unchances lierin' worm  
through a new bladın` in  
tired to raped your lair  
write the janata decive  
blessin' in dark heaven  
run tied from hell  
run chain of the hebrow  
rechain the proved new earth  
when blood rages in the sky  
chaos head destruction
