

# Gorgoroth, Possessed By Satan

Standing proud in the never ending glare  
Of the churches, burning in the name of Satan  
Like a thorn in the eye of God

The Sons of Satan are fighting in this Holy War  
It has begun, no one thought that you would survive to see the new millennium

Kill the Priest, burn the Jew, The Holy Trinity will be crushed  
By the Son of the Dark Lord  
Of this world

We are Possessed by the Moon  
We are Possessed by Evil  
We are Possessed by Satan

Possessed by Satan

Never ending blasphemy, kill, manipulating in the name  
Of the pentagram  
Even (???) chosen Satan to fight against the Solemn God  
Evil prevails over good/church  
Evil lies around every corner

World wide revolution has occurred Holy War, execution, sodomy

We are Possessed by the Moon  
We are Possessed by Evil  
We are Possessed by Satan

Possessed  
Possessed by Satan

We are Possessed by the Moon  
We are Possessed by Evil  
We are Possessed by Satan
