

Gorilla Biscuits, Good Intentions

Things I try don't work out,
Other people gripe and shout.
That's not positive.
I'm not perfect.
I'm just Civ.

Trial and error...Good Intentions!

Throw a beer at the satge, that's how you behave.
Paid admission, had no fun.
You think I'm the stupid one.

Think again...Good Intentions!

I'll just try my best...and you?
Nothing.
