

# Gorilla Biscuits, Start Today

Yesterday you were on my back just to get my time  
I guess it's not as precious as it seems  
Because I found the time for hanging out  
And talking on the phone  
What should I expect, now that my time is free  
And you're nowhere to be found

Next time I'll try  
For the first time in my life  
It won't pass me by  
Procrastinate it can wait, I put it off  
Let's start today, let's start today

My room's a mess and I can't get dressed  
I gotta be out by eight o'clock  
Deep inside I know the answer  
Well there's no time like the present  
And I'd like to hang out but who doesn't  
I've made enough mistakes for this lifetime  
Now I'm here to make amends

Next time I'll try  
For the first time in my life  
It won't pass me by  
Procrastinate it can wait, I put it off

Next time I'll try  
For the first time in my life  
It won't pass me by  
Procrastinate it can wait, I put it off.
