

Gorilla Biscuits, Two Sides

Some people think they're always right and right is all they'll ever be.
Well there's two sides and ego's divide.
And we're so concerned with who's right.

These people are so quick to judge.
Let's get the judgement straight.
It's not who's wrong it's how we get along.
And I'm not too sure that we do yet.

TRUTH is a word that you're sure of.
Or so you've said
But I'd love to see you give someone else a chance.

Open up, It's not so hard.
Is hard what you want to be to kick some ass.
It's a sure bet you'll get your way with no friends left.

Don't say you know what I'm about, because you don't.
For God's sake give me a fucking brake.
you don't even know my name.

TRUTH is a word that you're sure of.
Or so you've said
but I'd love to see you give someone else a chance.

I listen to the things you say, I've weighed the facts out in my head.
Can you do the same...No, then don't waste my time.

TRUTH is a word that you're of.
It's all you said
but I'd love to see you give someone else a chance.

This time my mind is set.
My side you'll never get.
What I say.
What did you say.
We can both be right just not in the same way.
You think we could reach some common ground...No...no way
