

# Gorilla Zoe ft. Lil' Wayne, Get Money

Let me do wat I came to did  
I'm fuckin money cus I came with it  
Fuck da rulers lil wayne 2 big  
I luv da rumors it mean wayne 2 big  
And I get brain like a anuriz-um  
I'm da creme of da creme  
I tend 2 offend  
Da one of one  
U can get shot by da son of a gun  
If u snitch my purpose is 2 have your tung  
And mail it 2 ya mom  
Along with a bomb  
Boom I'm  
I'm so kadam  
I'm so osam barak-obam  
I ain't got no time if it ain't bout cake  
Dats all I eat cus dats all I ate  
And I keep a sweet tooth cus I got a tooth ache  
A dab of cocaine to da pain rite away  
Oops more den a dab say yo to da yay  
Yo now I can't feel my face  
Go and get da big wheels wet paint  
And I act like my shit don't stank  
Dat bank dat bank  
Tell da bank I'm on my way  
I'm on da highway gettin chased  
I get it  
And u best hide it  
Cus if I spot it  
I got it I got it
