

# Gorillaz, D.A.R.E. (Soulwax Remix)

Jump With Them All And Move It  
Jump Back And Forth  
And Feel Like You Were There Yourself  
Work It Out

You've Got To Press It On You  
You Just Think It  
That's What You Do Baby  
Hold It Down There

It's DARE

Never Did No Harm  
Never Did No Harm

It's DARE

Never Did No Harm  
Never Did No Harm

It's DARE

Jump With Them All And Move It  
Jump Back And Forth  
And Feel Like You Were There Yourself  
Work It Out

You've Got To Press It On You  
You Just Think It  
That's What You Do Baby  
Hold It Down There

Jump With Them All And Move It  
Jump Back And Forth  
And Feel Like You Were There Yourself  
Work It Out

You've Got To Press It On You
